Sir,

Deputy Commissioner.

Sir,

The Inspector General of Police
in Mysore.

Sir,

With reference to your docket No. 899/78 dated 23rd July last, I have the honor to state that the pay of the present drill Sergeant is 8 Rs., and that of the additional drill sergeant, now sanctioned in the Proceedings, is Rs. 14. Two drill Sergeants will be required for the force, and to give one 14 Rs. and the other 8 Rs. would be disproportionate. I therefore beg to request that their pay may be fixed at Rs. 10 + 12 respectively. By this arrangement Government will incur no extra charge, and I solicit your earliest sanction to the same.

I have &c.

Letter No. 2301 of the
3rd September 1890 from

out that Government Pro:

assumed in Government

of the 8th October 1890

On the representation
of the Deputy Commissioner

of the Mysore District.
Supported by the Inspector
General of Police, apparently
without any scrutiny
in his office, the existing
number of Drill Sergeants
in the Mysore Town
was taken as 2 and
the alteration in the
Scale of pay proposed
was accordingly sanctioned
by Government in
Proceedings No. 5878-9
646
of the 23rd August 1890.
But it now appears
from the Deputy Commis-
sioner's report, which is again
submitted by the Inspector
General, without a
word of explanation,

that the ~~services of~~¹¹
~~a~~ 1st Class Constable
on Rs 8/ ^{Services were} whose being
utilized as one of the
Drill Sergeants, was
represented to be a
Drill Sergeant on Rs 8/..:
This is evidently wrong,
but as the services
of two Drill Sergeants
are stated to be required
for the Police Force at
Mysore, the alteration
in the scale sanctioned
in the Proceedings
above cited will hold
good by reducing
the strength of 1st class
constables by one on
Rs 8/ per mensem.

SIR,

With reference to Proceedings of Government
No. $\frac{2000-1}{231}$ dated the 19th May last, I have the
honor to explain that in this office No. $\frac{4744}{133}$ dated the
20th August 1890, no extra hand was applied for and
it was distinctly stated that the alteration in the
scale involved no additional expenditure. Out of
the sanctioned strength, the two drill Sergeants were
meant to be provided, one of them being the
Sergeant sanctioned in the above and the other
being a first class Constable who had been for
a long time utilised for purposes of drill in the
Mysore Town Police.

2. The present strength of the Mysore Town Police
contains only 53 first class Constables, exclusive

of the constable who has been made a drill sergeant
making a total number of 54 Constables.
This scale it will be seen is what was proposed
in this office No. 793 dated 8th July 1890, and
sanctioned accordingly. The scale has not been
exceeded and there is therefore no need for any
reduction.

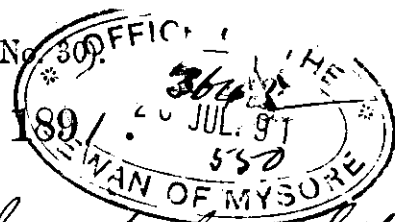

I have the honor to be
